To Any Euro-American Or European, That Wishes To Violate This Constitution, **Know This**, A Constitution Is Defined In The Fourth Edition Of "**Black's Law Dictionary**" As Such:

"The Organic And Fundamental Law Of A Nation Or State, Which May Be Written Or Unwritten, Establishing The Character And Conception Of Its Government, Laying The Basic Principles To Which Its Internal Life Is To Be Conformed, Organizing The Government, And Regulating, Distributing And Limiting The Functions Of Its Different Departments, And Prescribing The Extent And Manner Of The Exercise Of Sovereign Powers. A Charter Of Government Deriving Its Whole Authority From The Governed."

This Is The General Law Definition Of The Word Constitution. In American Law, It Is Defined As:

"The Written Instrument Agreed Upon By The People Of The Union Or Of A Particular State, As The Absolute Rule Of Action And Decision For All Departments And Officers Of The Government In Respect To All The Points Covered By It, Which Must Control Until It Shall Be Changed By The Authority Which Established It, And In Opposition To Which Any Act Or Ordinance Of Any Such Department Or Officer Is Null And Void."

So In American Law, The Constitution Was Agreed Upon By The People Of The Union Or Of A Particular State As The Absolute Power, Which Can Only Be Changed By The Authority Which Established It. We As Moors Did Contribute To The Making Of The Constitution Of The Union Or The United States Of America, Thus As Mentioned In The Definition Above, We As Moors Have The Authority And Power To Change And Abolish This Constitution. This Fact Can Be Observed By Abraham Lincoln's

Own Words When He Challenged The American Jurist And The 5th Chief Justice Roger Brooke Taney's (1777-1864 A.D.) Decision In The Dred Scott Case, Stating:

"Justice Taney, In Delivering The Majority Opinion Of The Court, Insists At Great Length That Moors Were No Part Of The People Who Made, And For Whom Was Made, The Declaration Of Independence, Or The Constitution Of The United States. "On The Contrary, Judge Charles Curtis (1860-1936 A.D.), In His Dissenting Opinion, Shows That In Five Of The Thirteen States, To Wit, New Hampshire, Massachusetts, New York, New Jersey And North Carolina, Free Moors Were Voters, And, In Proportion To Their Numbers, Had The Same Part In Making The Constitution That The White People Had. He Shows This With So Much Particularity As To Leave No Doubt Of Its Truth; And, As A Sort Of Conclusion On That Point, Holds The Following Language."

States, Through The Action, In Each State, Of Those Persons Who Were Qualified By Its Laws To Act Thereon In Behalf Of Themselves And All Other Citizens Of The State. In Some Of The States, We Have Seen, Moorish Persons Were Among Those Qualified By Law To Act On The Subject. These Moorish Persons Were Not Only Included In The Body Of 'The People Of The United States,' By Whom The Constitution Was Ordained And Established; But In At Least Five Of The States They Had The Power To Act, And, Doubtless, Did Act, By Their Suffrages, Upon The Question Of Its Adoption."

Article 36

Ques: What Does The Word Autonomy Mean?
"The Constitution"
Of An Indigenous Peoples
_The United Nuwaubian Nation Of Moors_

n., pl. aut·on·o·mies. 1. The condition or quality of being autonomous; independence. 2.a. Self-government or the right of self-government; self-determination. b. Self-government with respect to local or internal affairs: granted autonomy to a national minority. 3. A self-governing state, community, or group.

According To A Comprehensive Etymological Dictionary Of The English Language It Comes From The Greek Word autonomia, meaning "independence" from autonomos, meaning "self-ruling".

"The Political Independence Of A Nation; The Right And Condition Of Power Of Self Government; The Negation Of A State Of Political Influence From Without Or From Foreign Powers." This Word Autonomy Is Used For What It Means, "Independence Or Self-Governing"

A Perfect Example Of How Autonomy Is Used, Is Seen In Article 31 Previously Shown From "The

Our, Yamassee Native Americans, United Nuwaubian Nation Of Moors, Autonomous And Sovereign Status Is Our Right As An Indigenous Peoples. We Are Not Petitioning Or Asking Any Government, City, State, Or Country For This Liberty That Is Rightfully Ours. We Are Simply Communicating Our Status To Foreign Nations.

Ques: What Does The Word Communicating Mean And How Is It Used?

According To A Comprehensive Etymological Dictionary Of The English Language The Word Communicate Comes From The Latin Word Communicationem Accusative Of Communicatio Fr.. Communicatus Past Participle Of Communicare Meaning To "Communicate, Impart, Share" From Communis Meaning "Common, Universal, Public."

This Is Exactly What We Have Done, And Are Doing Now, Informing Other Nations Of Our Sovereign Status.

Ques: What Does The Word Sovereign Mean And How Is It Used?

According To *A Comprehensive Etymological Dictionary Of The English Language* The Word Sovereign Comes From The Middle English Old French Soverain, Sovrain (F. Souverain) From Middle English Superanus Meaning Chief Principle (Whence Also Spanish Soberano, Italian Soprano), From Latin Super Meaning Above.

_The United Nuwaubian Nation Of Moors_

The Word Sovereign Is Used For What It Means, As Seen In The _Dred Scott Vs. Stanford Case_ And I Quote:

"They Both Describe The Political Body Who, According To Our Republican Constitutions Form The Sovereignty, And Who Hold The Power And Conduct The Government Through Their Representation. They Are What We Familiarly Call The Sovereign People, And Every Citizen Is A Part Of This People, And A Constituent Member Of This Sovereignty."

In Other Words We Are Communicating To You The Fact Of Our Status As An Indigenous And Sovereign Nation.

This Is A Communication To You

Ques: Just Who Are The Americans?

Ans: No Caucasians Are Americans By Nationality, Being They Are Not Indigenous Of This Land But Admit Themselves To Have Come Here From Europe And Its Various Subdivisions As Settlers.

Ques: What Is A Caucasian?
"The Constitution"
Of An Indigenous Peoples
The United Nuwaubian Nation Of Moors

**Ans:** An Indigenous Person Of The Caucasus Mountains That Is Between The Black And Caspian Sea. If You Are Not Born There, Then You Are Not Legally A Caucasian.

**Ques:** What Is The Description Of A Real Caucasian?

**Ans:** Caucasians Are Original Descendants From Scandinavia That Includes Norway, Sweden, Denmark, Finland, Iceland, And The Faeroe Islands. According To The Reference Library **Scandinavian** Means: 1. Of Or Relating To Scandinavia Or To Its Peoples, Languages, Or Cultures, And Also Means 2. A Native Or Inhabitant Of Scandinavia.

In The 7th To 10th Century A.D., Because Of Overpopulation, And Agricultural Problems, The Vikings Who Were Scandinavians, Started Migrating Out Into Different Areas Such As The Baltic Sea Area, The Frankish Territories, The Caspian And Black Sea Area, Which Is The Caucasus Mountains, Where They Mixed In With The Original Indigenous People Of Those Lands Namely Dark Skinned Woolly Haired People Being Referred To As Moors. This Produced The Mixed Races Of What Is Being Called Europeans Today. *(Refer To Encyclopedia Britannica,*

The Genetic Traits Of A Caucasian As Far As Hair Color Is Concerned, Is Blonde Often Called Fair Hair, And The Follicles Are Flat Producing Flank Or Straight Yellow Hair.

The Color Of The Eyes In The Iris, That Is The Pigmented Round Contractile Membrane Of The Eye, Is Blue.

Their Membranous Tissue Called Skin Is Transparent Giving The Impression Of Pink.

Thus The Description Of What Is Being Called Caucasians Or White People Is Blonde, Straight Hair, Blue Eyes And Transparent To Pink Skin. All Other Europeans Or Euro-Americans Are A Product Of Mixing With What They Call The Negroid Race Or Negroid Stock Before Coming To America And Are Considered Mulatto. Mulatto Is A Spanish Word Taken From The Arabic Word Muwallad "To Give Birth" And Implies A Person Having One White And One Black Parent. According To J.A. Rogers' "Nature Knows No Color Line" Page 73 States And I Quote: "Mulattos Were Called Tawny-Moors And Sometimes Tanny-Moors, Tannimoors (30) Bailey Says They Were One

The Results Of This Mixing Produces A Variety
Of Light Skinned Straight, Wavy To Curly Hair
Ranging In Colors From Red To Auburn,
Chestnut, Brunette Or Dark Brown, And Eye
Color Ranging From Brown, Green, Hazel To
Gray; And Of Course In Many Cases, Freckled
Skin Is A Result Of This Mixing. Freckles Being

Middle English Word Frakles, Is An Alteration
Of Fraknes, From A Scandinavian Origin. So In
Actualty, All Euro-Americans Or Europeans
Who Are Not Blonde-Haired, Blue Eyed, Born
In Scandinavia Or The Caucasus Mountains Are
Not Caucasians. The People Being Called
Caucasians, Born In America, Called Americans,
Should Be Called Euro-Americans If That Is
Their Nationality. The Same Way They Took It
Upon Themselves To Call Africans Born In
America, Afro-Americans.

Europe Today, Which Is Inclusive Of Spain, Was
Once Inhabited By Moors. This Can Be Proven
By A Research Of The Family Crest And Coats
Of Arms. The Mixing With These Moors
Produced The Mulatto Stock. If All People Born

In Europe Are Europeans, Then The Moors Being Born Throughout Europe Today From Parents Of African And Caribbean Countries, Accordingly, These "Blacks" There, Are Also European. Thus European Does Not Describe A Race But A People Residing In A Specific Geographical Location. So The Three Races Of The Planet Earth Are Recorded As:

1) Negroid - Description: Black To Brown Pigmentation, That Is From The Root Word Negra Meaning "Black", With Woolly Or Nappy To Tightly Curled Hair, Black To Brown Skin, Thick To Full Lips, Gapped Teeth, Oval-Shaped Eyes With Black To Brown Iris, Wide Nosed, High Cheek Bones, Large Gluteus Maximum, Heights Ranging From Four Feet To Eight Feet, And An Abundance Of Melanin.

2) Mongoloid - Description: Yellowish To Cream Skin Pigmentation, Hollow And Straight Black Hair, Dark Eyes, With Pronounced Epicanthic Folds, Lacking A Top Lid, And Shovel Teeth, Prominent Cheek Bones, Large Calves, Heights Ranging From Four Feet To Five Feet.

Mongoloids All Fall Under Negroid That's Why They All Have Black Eyes, And Dark Hair And

Melanin.

3) **Caucasoid** - Description: Transparent To Pink Skin Pigmentation, Straight Blonde Hair, Blue Eyed, Heights From Five Feet To Six Feet, Pronounced Canine Teeth, A Pug Nose, And Thin Lips, Large Bust, And Are Melanin Recessive.

This Is The Standard World Wide Recognition For The Description For The Three Races On This Planet. All Others Are Mulattos Or Simply Multi-Racial Mixtures. America Today Has Become A Melting Pot Of The Multi-Racial Mixtures, Each Seeking Their Roots Or National Origin As An Indigenous People. Many Sub-Races Such As: American Indians, East Indians, Malaysians, Jews, And Italians To Name A Few, Are A Product Of This Mixing And Thus Are Mulattos, And They Would Be Classified As A Part Of The Moorish Race Or Simply Moranos, Black, Which Means That All The Laws Of The Constitution, Treaties, Documents, Articles, And Acts, That Pertain To What Is Being Called Negroes In America, Pertains To All The Other Mulatto Groups.

According To "**The Black Book**" On Page 88, The Acts Of 1785 A.D. Chapter LXXVIII
"The Constitution"
Of An Indigenous Peoples

States:

"Every Person Whose Grandfathers Or Grandmothers Anyone Is Or Shall Have Been A Negro, Although All His Other Progenitors, Except That Descending From The Negro Shall Have Been White Persons, Shall Be Deemed A Mulatto, And So Every Person Who Shall Have One-Fourth Or More Negro Blood Shall In Like Manner Be Deemed A Mulatto. This Act Is To Be In Force From January 1, 1787.

According To The Act Of 1910 A.D. And I Quote:

"Every Person Having One-Sixteenth Or More Negro Blood Shall Be Deemed A Colored Person, And Every Person Not A Colored Person Having One-Fourth Or More Indian Blood Shall Be Deemed An Indian."

These Acts Below Will Show That Mulattos Are Classified In The Same Category As Negroes. According To The Black Book Page 87 The Act Of 1705 A.D., Chapter XXIII States:

All Negro, Mulatto, And Indian Slaves Within This Dominion Shall Be Held To Be Real

Estate And Not Chattels And Shall Descend Unto Heirs And Widows According To The Custom Of Land Inheritance, And Be Held In Fee Simple.

So, The Euro-Americans Or Europeans Who Set Up And Are Running This Government Now And Supporting Its Constitution, Don't Have The Rights To Deny Or Violate Our Constitution Because They Themselves Are Mulattos, That Is Classified As Non-Whites. This Is According To Their Own Laws. They Are Mulattos And Are Considered "Negroes", Thus You Fall In The Same Bracket As The "Negroes". You Are Not Scandinavian Or Caucasian With Blonde-Haired And Blue-Eyed, But Are European Mulattos, Or Simply Euro-Americans.

The Latter Not Understanding That All Peoples Contribute To The Diversity And Richness Of Civilizations And Cultures, Which Constitute The Common Heritage Of Humankind, And That Any Form Of Assimilation Or Integration By Other Cultures Or Ways Of Life Imposed On Indigenous People By Legislative, Administrative Or Other Measures; Are Racist, Scientifically False, Legally Invalid, Morally Condemnable And Socially Unjust. Respect For Indigenous Knowledge, Cultures And Traditional Practices Contributes To Sustainable And Equitable Development And Proper Management Of The Environment.

Makers, In Their Court Rooms, And Demand Them To Produce Their Written Constitution To Defy Our Written U.N.N.M. Constitution, They Must Confine Themselves To Their Written U.N.N.M. Constitution In Order To Defy The United States' Constitution. If The Yamassee Tribe Of Native Americans, The United Nuwaubian Nation Of Moors Demand Of The United States Law Makers And Judges, As Long As They Are In Session, To Not Ever Talk Of Your U.N.N.M. Constitution Off The Record, Then The Yamassee Tribe Of Native Americans, The United Nuwaubian Nation Of Moors Must Always Refer Them To The Statutes Of Our U.N.N.M. Constitution From The First Statute To The Last. Otherwise, You Will Trap Yourself And Thus Become The Victim Of Them. So Beware.

In Life, Every Member Of The U.N.N.M. Is Well Qualified To Defend Their Inalienable Rights In Their Own Courts, By Their Own U.N.N.M. Constitution, The Greatest Protection Law Of Self Defense. If A Member Of The Yamassee Tribe Of Native Americans, The United Nuwaubian Nation Of Moors Employs A Lawyer, Who Is Not Concerned With Your Rights As An Indigenous Person, They Then Have Surrendered Their Rights Of Their Own Constitution To The Lawyer, Judge, And Jurors; Thus Becoming Their Slave, Which Is Why They Ask For A Plea, Without The Inalienable Right To Defy Them,

And Thus Will Never Get A Fair Deal Or Settlement In Their Courts Of Laws.

In The Event That A Member Of The Yamassee Tribe Of Native Americans, The United Nuwaubian Nation Of Moors Stands Accused In Any Court Of The United States, The Only Judge That Has The Right To Preside Over The Court Is A Judge According To The Third Article, Section One, Of The United States Constitution, Where It States:

Third Article, Section 1. The Judicial Power Of The United States, Shall Be Vested In One Supreme Court, And In Such Inferior Courts As The Congress May From Time To Time Ordain And Establish. The Judges, Both Of The Supreme And Inferior Courts, Shall Hold Their Offices During Good Behaviour, And Shall, At Stated Times, Receive For Their Services, A Compensation, Which Shall Not Be Diminished During Their Continuance In Office.

So, Any Judge's Salary That Has Been Diminished During His Term In Office, Meaning He Has Paid Taxes, Insurance, Or Benefits, Or Any Type Of Deduction Is Not A Judge, Because According To The Constitution, Their Compensation Or Salary Shall Not Be Diminished. Thus, No Other Judge Can

_The United Nuwaubian Nation Of Moors_

Preside Over The Court According To The Third Article Of The Constitution, Because They Are Not Judges, And Therefore They Are Not Qualified To Preside In Any Court Room Of The United States.

If A Member Of The Yamassee Tribe Of Native Americans, The United Nuwaubian Nation Of Moors Is Not Tried By A Judge According To The Third Article Of The Constitution, Then A Writ Of Certiorari Is In Order To Set The Record Straight. This Writ Of Certiorari Is A Direct Order From A Superior Court To A Lower Court, Or To A Public Officer Or Public Board, To Send The Record Of The Proceedings To The Superior Court For Review. The Higher Court Studies The Record While The Case Is Still Pending And Decides Whether Or Not The Inferior Court Is Acting In Accordance With The Law. The Superior Court Does Not Judge The Proceedings According To The Account, They Only Review The Legal Aspects Of The Case, Such As Whether The Lower Court Has Jurisdiction To Try The Case.

The Term Writ Of Certiorari Comes From The Latin Certiorari Which Is The Infinite Of The Word Certiorare, Literally Meaning "To Make More Certain", From Certior, Comparative To Certus, Meaning "Sure, Certain". The Word Writ Comes From The Old English Word Writ, Which Means
"The Constitution"
Of An Indigenous Peoples
__The United Nuwaubian Nation Of Moors__

"That Which Is Written". The Past Participle Of Writan, Which Means "To Engrave, Write". So, If Any "Judge" Refuses To Step Down, To Let A Real Judge Preside Over Your Case, Then Call A Writ, Which Is Also Defined As "To Reduce In Rank, Value, Or Price", Which Is Legal And Binding. You Can Also Call A Writ Of Habeas Corpus, Which Is A Writ That Orders The Public Official To Produce The Victim In A Higher Court. The Court Will Then Determine If The Public Official Has The Legal Right To Hold Or Detain The Victim. This Writ, Habeas Corpus Is Also Referred To As "Writ Of Liberty", And Is Enforced In Article 1 Section 9 Of The Constitution Of The United States, Where It States: "The Privilege Of The Writ Of Habeas Corpus Shall Not Be Suspended Unless When In Cases Of Rebellion Or Invasion The Public Safety May Require It."

According To Article 6 Of The Constitution Of The United States States: "The Judges Of The United States Are Bound To The Constitution And The Laws Of The United States Which Shall Be Made In Pursuance Thereof, And All Treaties Made Or Which Shall Be Made, Under The Authority Of The United States, Shall Be The Supreme Law Of The Land...," Thus Judicial Power Shall Extend To All Cases, In Law And Equity, Arising Under Their Constitution, The Laws Of The United States, And
"The Constitution"
Of An Indigenous Peoples

Treaties Made, Or Which Shall Be Made, Under The Authority Of The United States To All Cases. The Moors Are To Be Treated Equal To The Citizens Of The United States, According To The Treaty Of Peace And Friendship #244-1 On June 28, 1786 A.D., With A Ratification Date Of July 18, 1787 A.D., Between Morocco And The United States, And Was Renewed In 1836 A.D., And Is Still In Effect Today.

Thus, According To Article 6, Of The Constitution Of The United States, A Treaty Is The Supreme Law Of The Land, And Only A Judge According To The Third Article Of The Constitution Can Preside Over Any Moor's Case Or Any Case For That Matter.

Article 6 Concludes "...And The Judges In Every State Shall Be Bound Thereby, Any Thing In The Constitution Or Laws Of Any State To The Contrary Notwithstanding. The Senators And Representatives Before Mentioned, And The Members Of The Several State Legislatures, And All Executive And Judicial Officers, Both Of The United States And Of The Several States, Shall Be Bound By Oath Or Affirmation, To Support This Constitution;...".

We Affirm That A Member Of The Yamassee Tribe

Of Native Americans, United Nuwaubian Nation Of Moors Cannot Be Convicted On False Charges Or Accusations, Frame-Ups, Set Ups Or Cohersion Or Entrapment Or The Likes.

We Affirm That Our Nation Of Yamassee Tribe Of Native Americans, United Nuwaubian Nation Of Moors, Shall Never Be Destroyed For His Or Her Lack Of Knowledge Of The Truth About The Laws And Constitutions Of Other Nations, And He Or She Will Be Able To Defend Him Or Herself With Facts.

FREEDOM

We The People Must Know That By Nature We Are A Free People And Are Neither Slaves, Nor Involuntary Servants To Any, Save Ourselves And Only In The Case Of A Punishment Of A Crime Whereof The Party Shall Have Been Duly Convicted By A Court And A Jury Of His Or Her Peers, That Is, A Member Of The Yamassee Tribe Of Native Americans, The United Nuwaubian Nation Of Moors - H.T.M. Of An Indigenous Peoples
__The United Nuwaubian Nation Of Moors__

The American Heritage Dictionary And Its Meaning Is Not As Important As Their Meaning. The Meaning Of The Word Is Found In The Root Of The Word, And It Means "Equal". We Are Not All Equal In The U.S.A. So My Peers Would Have To Be Equal To Me, Of My Own Race, And Tribal Status. As Free Minds, We Must Begin To Think As Free People And Our Minds Will Ensure Us Our Bodily Freedoms. We Must Reinforce In The Minds Of Our Children, That They Were Never In Servitude Or Slavery But Rather A Victim Of The Heinous Crimes Of Murder, Kidnap, Massacre, Rape, Brainwashing, Holocaust, Mass Genocide, And Illegal Experimentation, By Those Who Claimed To Have Our Best Interest In Mind.

However, We Are Persons Born Or Naturalized In These United States And Have Become "Subject" To The Jurisdiction Thereof As "Citizens", And Of The State Wherein We Reside, And No State Shall Make Or Enforce Any Law Which Shall Abridge The Privileges Or Immunity Of The Yamassee Moors "Citizens" Of This United States, Nor Shall Any State Deprive These Persons Of Life, Liberty, Or Property That Is Theirs By Right. You Are Not Told That Any College Student Can Enlist In The Armed Forces And Become An Officer According To The Amount Of Credits You Have. This Ignorance Helps Euro-Americans To Gain Superior Ranks. If You Enlist As An Enlisted Service Person, You Will Gain The Rank Of Specialist E-4 Automatically. These Are Promotions That Enlistees Receive Automatically Which Are Of No Real Significance. Yet, Nuwaubian Moors Are Under The Illusion That They Are Advancing In Rank, When In Actuality They Are Not.

Even After Attending College Which Is Supposed To Be A Credit, It Is Hard For Nuwaubian Moors To Gain Certain Positions In The Armed Forces Because You Are Simply Not Considered Equal. The Following Are Ranks In The United States Army That Enlistees Can Receive.

"The Constitution"

It is rare for a qualified Nuwaubian Moor officer to elevate to lieutenant colonel, brigadier general or major general, or command sergeant major, because he will have power and control over all other officers including Europeans and Euro-Americans and Nuwaubian Moors. Many people will pretend that these conditions don't exist in the military, when all you have to do is ask any officer is this a reality and if he/she is honest, he/she will tell you "yes". This is nothing new.

Just as it is very difficult for Nuwaubian Moors to earn respect in the armed forces, stories such as the "Tuskegee Airmen" still exist in the Air Force today. It is very rare that a Nuwaubian Moor airman will earn his wings. The tests are racially biased and are geared towards Nuwaubian Moors' failure. Although everyone has responsibilities, the responsibilities of a soldier are not the same for Nuwaubian Moors as they are for Euro-Americans. When you join as an enlistee or officer of any rank or position, the enlisted persons have the responsibility of keeping the lower ranking enlisted service personals under control. For instance, keep them from forming any kind of groups or clicks that might cause problems for the officer or command. They don't want the Nuwaubian Moors to congregate. They
"The Constitution"
Of An Indigenous Peoples
_The United Nuwaubian Nation Of Moors_

Know When We Come Together, We Will Begin To Think For Ourselves. Although We Won't Question Or Separate The Euro-American Officers. It Is A Well-Known Fact That Euro-Americans Are Members Of Racist, Subversive, Neo-Nazi Groups. Now, They Should Not Be Allowed To Congregate Due To Suspicion. Rarely Will A Nuwaubian Moor Have The Responsibility Of Being In Charge Of A Command.

Make Note That The Army Is The Easiest Branch Of Service For Nuwaubian Moors To Enlist Into, Then The Navy, Then The Marines And Lastly The Air Force. This Is Due To The Amount Of The Illusion Of High Positions, Yet They Are Still In Low Position Branches In The Army. The Air Force Is Difficult Because Of Initial Testing And College Qualifications. For Instance, A Service Member Can No Longer Have Just A G.E.D. (General Equivalency Diploma) To Enlist In The Army Or Any Other Branch. You Must Have A High School Diploma To Stay In. Not One Branch Of The Service Wants You To Think. They Only Want You To Follow Instructions, So That They Can Re-Teach You How To Think Like Them, To Only React To Commands. The Fact Is, Nuwaubian Moors Don't Receive Benefits, Salaries, Retirement Plans, Rank, Assignments, Health Care Benefits, Family Support,
"The Constitution"

Of An Indigenous Peoples

Awards, Equal Representation, Opportunities, Responsibilities, Life And Health Insurance As Those Of Europeans And Euro-Americans. Meaning, If You Are Not Going To Be Treated As An Equal, Then Don't Risk Your Life. By Equal Representation I Mean, If There Are 4 Euro-American Lieutenant Colonels, Then There Should Be 4 Nuwaubian Moor Lieutenant Colonels. Do You Overstand? However, The Way It Is Set Up Now, You Would Have Twenty Euro-American Brigadier Generals To Every One Nuwaubian Moor Brigadier General. For Every Nuwaubian Moor Combat Soldier Put On The Front Line, There Should Be A Euro-American Combat Soldier To Match. This Is What Real Equal Representation And Equal Opportunities Is About.

Anyone Who Has Ever Been In The Armed Forces Knows That There Is Blatant Racism And That What They Refer To As A "Black Officer" Almost Never Receives A Rank Higher Than A Lieutenant. If You Take A Look Back At History At The Civil War Of America, Most Of The Nuwaubian Moors Who Were In Armed Forces Had Separate But Not Equal Facilities.

They Were Not Given The Same Salaries If Any Salary At All. Most Of These Men Were Fighting
"The Constitution"
Of An Indigenous Peoples

For Their Freedom Which Many Of Them Did Not Receive After They Fought In The War. This Goes Right On Up To This Day And Time. During World War I, World War II, The Korean War, The Vietnam War, And The Iraqi Wars, These Same Conditions Existed. They Were Still Separate And Unequal. Nor Were They Able To Elevate To A Position Of Lieutenant General And Still Were Considered Less Than Human. Nuwaubian Moors Were Literally Put On The Front Line While Euro-Americans Were Sitting In The Offices.

When The Nuwaubian Moors Exelled In Their Fields, Euro-Americans Stood In Disbelief Trying To Figure Out How Could An Oppressed People Continue To Grow Through Hundreds Of Years Of Hardships.

Now Many People Will Say "What About Colin Powell?" Colin Powell Was On The Joint Chiefs Of Staff. He Was A Well-Respected Man Who Many Children Admired Both Nuwaubian Moors And Euro-Americans. They Couldn't Allow That To Happen. Now, When Colin Powell Tried To Run For The Presidency, They Pulled Out All Kinds Of Information About His Wife, Alma Powell, Being A Manic Depressive. They Did This In Order To
"The Constitution"
Of An Indigenous Peoples

Destroy His Career And His Positive Image. The Same Applies With The New Sex Scandals Of Nuwaubian Moor Officers. With All Of The Information That The Armed Forces Have Access To, They Knew Long Before Colin Powell Ran For Presidency What His Wife's Condition Was. However, They Let Him Become The Military Advisor To The President And Presidential Candidate To Talk About His Wife And Embarrass Him.

You Should Not Become A Part Of The Military If You Are Going To Be Treated Unfair, Unjust, And Unequal. Only Join The Military Forces If You Are Going To Be Given The Same Rank, Position, Respect, And Responsibilities As Those Of Euro-Americans. Otherwise You Should Not Risk Your Life.

You Should Also Know The Laws Of The Country And The Organizations That You Join. For Example In The U.S.A. The "World Book Encyclopedia" Volume 13 Letter M Under Militia On Page 458, Copyright In 1977 A.D. Which Was Just 20 Years Ago, Defines The U.S.A.'s Militia As:

"The U.S. Militia Includes The Air Force Reserves, Air National Guards, Army National

Guards, Marine Corps Reserve, And Naval Reserves. Each Of The 13 Colonies In America Required Its Citizens To Enroll And Train In The Militia. Militiamen Formed Almost Half Of The Continental Army That Fought In The American Revolutionary War. The United States Constitution Gave Congress The Right To Call Up The Militia To "Execute The Laws Of The Union. The Militia Act Of 1792 Placed Every "Free Able Bodied White Male Citizen" At The Age Of 18 In The Units To Each State. The Act Of 1903 Made All Male Citizens Subject To Military Services And Set Up The National Guards As The Organized Militia."

All The People In The Military Who Think They Are White, This Doesn't Apply To You. You Are Not A White Person.

If You Were To Split The Races, Caucasian, Mongoloid, Negroid, You Would Fall Under The Blacks, If You Do Not Have Blonde Hair And Blue Eyes.

"The Constitution"

"...It Shall Be Unlawful For Any White Person To Marry Any Save A White Person, Or A Person With No Other Admixture Of Blood Than White And American Indian. The Term "White Person", Shall Apply Only To The Person Who Has No Trace Whatever Of Any Blood Other Than Caucasian, But Persons Who Have One-Sixteenth Or Less Of The Blood Of American Indian, And No Other Caucasian Blood Shall Be Deemed White Persons...."

This Would Also Mean That Every Moor Has The Right To Not Join A Militia Or Military, In This Country, Because They Are Nuwaubian Moors And Your Own Laws State "White Male Citizens". Thus, According To The Laws Of The U.S.A., Nuwaubian Moors Should Not Be Inducted Or Drafted Into Any Form Of Military Which Is The Federal Militia, Where Equal Opportunity Is Not Given Nor Medals, Respect, Nor Honors Upon Honorable Discharge. Every Nuwaubian Moor Should Not Join Fraternities Or Lodges That Do Not Truly And Fairly Accept Us Under Their Charters. Nor Should Any People Be Forced To Convict, Maim, Murder, Or Eliminate Any Other People, Tribe, Nation, Country, Town, City Or Land, For Political, Economic Or Geographic Gains,

By Those Who Do Not Consider Us Equals. However, Under The Treaty Of Peace And Friendship Of 1787 A.D., We As Moors Did Agree To Protect The America And Did So During The Revolutionary War Between America And The British, Where Morocco Sent Ships To Protect The Borders Of America. Likewise America Signed The Treaty Stating That The Moors Who Reside In America Will Be Treated As Equals. So We Nuwaubian Moors Are Supposed To Be Treated As Equals.

Thus, We Reserve The Right To Form A Well-Regulated Militia Which Is Lawful And Necessary To The Security Of A Free State, The Right Of A People To Keep And Bear Arms Shall Not Be Infringed Upon For The Purpose Of Producing Peaceful People. If The Present Military, CIA (Central Intelligence Agency), FBI (Federal Bureau Investigation), And All Its Branches As Well As The A.T.F. (Alcohol, Tobacco, & Firearms), National And Coast Guard, Police Force And Its Many Branches, Does Not Protect And Defend A People Within Its Boundaries, That Includes All People Of Color, Then They Have A Right To Protect And Defend Themselves. With This We Must Learn To Live At Peace With Each Other.

Conquerors And Settlers, Who Opposed Us, Many Of Our Family And Tribe Members Were Tortured And Killed. They Gave Us Their Family Names Like Fletcher, La Roche, And Powell, In Place Of Our Own Moorish Names Like El, Bey, Dey, And Ali. They Gave Us British Names Like York, Clark, And Williams, Jewish Names Like Miller Smith And Joseph And Many Irish Names For Our Native American Names Like Black Eagle, Sitting Bull, And Hawk Eye. They Gave Us Nicknames Like Nigger, Spook, And Spade When, We Already Had Names For Ourselves Such As: Yamassee, Which Is A Distortion Of The Muskogee Word Yamasi Meaning "Gentle", Iroquois, From The Algonkin Word Iriakhoiw Meaning "Real Adders", Apalachee, A Haitchiti Word Meaning "People On The Other Side", And Kiowa, A Kiowa Word Meaning "Principle". We Were Also Named Massachusetts, Nez Perce, And Mandans. These Europeans And Euro-Americans Will Say That They Signed Treaties, And Agreements For The Land. However, This Is Only Partially True, For We Native Americans Were At Constant War With These "Conquerors" And We Did Not Have Or Use U.S. Currency, "Money". We Were Swindled, Conned, Cheated Out Of Our Land. When We Were Tired Of Fighting, We Made Treaties To Share The Land, Although They Were Planning On Taking The Land All For Themselves, Not Intending To Share It. We Did Not Read Their Languages So They Tricked Us. In The Book Entitled "New Partnership Indigenous Peoples And The United Nations System", Where It States And I Quote: "A North American Leader Explained To A

Younger Tribal Member: The Paper With Words Had One Kind Of Meaning. Three Objects From The Signing Ritual Had Others. A Bag Made Of Deer Skin Signified Sharing, The Sacred Pipe Was For Truth And Strength, And Sweet Grass Meant Kindness. They Were "A Kind People", "..." Make Note At This Point, From The Above Statement That, We The Yamassee, Were The "Kind People", Which Is What The Name Yamassee Means "Kind Or Gentle". So As You Can See, It Doesn't Matter If These Settlers Made Treaties, Or Agreements With Us, Because We Had Two Different Understandings Of The Treaties. We, As The Yamassee Native Americans, Made Treaties To Share The Land, And These "Conquerors", With Malicious Treatments, Tortures, And Wars Removed Us From The Land And Occupied It All. They Went As Far As Putting Small Pox On The Paisley Prints In Our Blankets To Wipe Us Out. A Perfect Example Of This Is The Yamassee Revolt Against The Spanish In The 17th Century And The Forced Sale Of The Black Hills, A Sacred Site Of The Teton Sioux Native Americans In The 19th Century. This Kind Of Treatment Was And Still Is Going On All Over The World With Europeans. A Spokesman From Gag Gaita In The Baster Region Of South Asia, Described An Experience In 1981 A.D., Where His People Had Been Told That The Government Will Care For Everything And Give Them Money. However, When They Went To Them And Asked For Money, They Said "Your Name Is Not Registered, You Don't Have Papers To Your Land And Come Again Later". He Concluded: "So They Play Their Evil Game With Us."

Also In Aotearoa (New Zealand), Treaties And Agreements Were Simply Voided By The European Settlers, When It No Longer Served Their Purposes To The Europeans. A Treaty Of Waitangi, New Zealand In 1840 A.D., Was Nullified As More And More Europeans Immigrated To Aotearoa, Changing Its Name To New Zealand.

I Declare That I Know And Realize That As A Descendant Of Nuwba, And An Indigenous Native American, I Am To Acknowledge Only The Facts And Declare Nuwaubu As My Ancestral Religion, Customs And Practices, As My Original Way Of Life, As The Original Of The Yamassee Tribe Of Native Americans, A Nuwaubian Moor. As Descendants Of The Olmecs, We Are The Indigenous People Of This Land. We Ask Only What Other Ethnic Peoples Have Already Asserted For Themselves; To Continue As Distinct And Separate Cultures In Our Homeland.

The Definition Of Indigenous People, As Defined By The United Nation, Stresses Our Ability To Survive, Despite Centuries Of Ill-Treatment. The United Nations Defines Indigenous People As, Peoples Who Have Continued To "Consider Themselves Distinct...And Are Determined To Preserve, Develop And Transmit To Future Generations Their Ancestral Territories, And Their Ethnic Identity... In Accordance With Their Own Cultural Patterns, Social Institutions And Legal System, They Have Resisted For Over 500 Years, And They Have

Survived As Separate Cultures Despite Centuries Of Deprivation, Assimilation And Genocide. Now They Are Once Again Active On Their Own Behalf. Indigenous People World Wide Are Claiming What Their Leaders Refer To As 'The First Rights Of The First Peoples.'" Also, A Torres Strait Islander From The Western Pacific Described His Peoples To The United Nations Working Group On Indigenous Populations As "The Original Owners Of The Land." He Continued: "We Have Not Lost Our Islands. We Do Not Ask For Them Back. They Have Always Been Ours. We Have Right On Our Side, We Now Seek Justice."

The United Nations Have Acknowledged That Indigenous Peoples Number Over 300 And Count 4 Per Cent Of The World's Population. They Live In Every Part Of The World, In The Cities Of The Most Technological Cultures, Along Terraced Hill-Sides In Heavily Populated Agricultural Provinces, On The Wide Prairies And Savannas Of Sparsely Settled Regions. They Share A Tragic Common History: Invasion Of Their Territories And Alteration Of Their Environment, The Breaking Or Voiding Of Treaties, Violence Against Their Peoples, Discrimination And Abuse, Poor Health Care And Disadvantaged Living Conditions, Attacks On Their Beliefs And Custom, Desecration Of Their Sacred Sites, Imposition Of Alien Education Systems And Language, The Undermining Of Their Way Of Government And Rejection Of Their Adherence To Community Over Individual Rights. We The

Yamassee Moors Were Here Before The European Adventurers Sailed Their Carvels And Galleons Across The Atlantic Ocean, To These Shores Called Americas Or The New World. However, This Was Not A New World To Us, But Rather Our Ancestral Home.

I Declare That With These Facts That, I Must Not Violate Any Of The Laws Of The Country Of The United Nuwaubian Nation Of Moors In Which I Live. I Also Recognize The United Nuwaubian Nation Of Moor's Flag, Which Our Supreme Grand Master, Nayya: Malachi Zodok York-El Has Created And I Claim For Myself.

I Declare That I Realize That There Is No Aggrandizement (To Increase The Scope Or Extend, To Make Greater In Power Influence Stature Or Reputation) Amongst The Muur-Moorish Race, Even Though We As Moors Have Acquired Various Nationalities, Religious Denominations, Cultures, Tribal Names, And Languages Such As Christianity, Judaism, And Islam.

Clark Louisiana, So-Called Purchase, Where He Was Declared Free By William Clark (1770-1838 A.D.). William Clark Signed A Manumission In 1802 A.D., To Free A Slave Named "Ben", Which Is Ben York; However He Changed His Mind, And Ben York Was Freed After May 1811 A.D. Ben York Also Left A Trail Of Progeny Along The Expedition's Path. According To "In Search Of York" By Robert B. Betts, On Page 71 And I Quote: "... On The Return Journey, He (York) Found That He Had Become The Father Of A Little Nez Perce Negro.....Occasional Modern Nez Perces With Kinky Hair Are Perhaps Descended From This Child. Of The Mandans, ...In 1899...Signs Of York Could Still Be Detected Among Them." Robert P. Warren, A Poet And Novelist Is Quoted On Page 70 Of The Same Book As Saying "And My Good Nigger York, Who Left His Seed In Every Tribe Across The Continent-"

Thus Making Us Also Descendants Of The Nez Perce, One Of The Various Native American Tribes. As Ansaars, Malachi Z. York Taught Us To Wear The Nosering In The Right Nostril, Which Is The Custom Of Our Ancient Ancestors And The Nez Perce Child Of Ben York.

England Were Black-A-Moors. Refer To The Yorkshire Coats Of Arms On Page 106. York Was Of The Ruling House Of England (1461-1485 A.D.), Which Included Edward IV, Edward V, And Richard III. Some Of The Yorks Also Came Here To These Shores, And Settled Along With The English Settlers, And This Is Who The Yamassee Tribe Went To Live Amongst, Near Beaufort, North Carolina, When The Spanish Betrayed Them And Sold Some Of Them As "Slaves" In 1680 A.D. In Georgia. However, After The Yamassee Revolt In The 1715 A.D In North Carolina, Some Of Them Were Again Sold As "Slaves". So It Was The British Who Gave Us, Yamassee Moors, The Name York. The Yazoo Land Scandal Also Help In The Displacement Of The Remnants Of The Yamassee, Of The Lower Creek, Native American Tribes From Georgia. The Creeks, Cherokee, Choctaw And The Chickasaw Lived And Were In Control Of An Area Called The Yazoo. In The Year 1795 A.D., Georgia Claimed This Territory Extending From The Atlantic Ocean West, As Far As The Mississippi River. Very Shrewd Businessmen From Four Land Companies Offered The State Of Georgia $500,000 For 35 Million Acres, With No Regard To The Native Americans Inhabiting That Area. After The Sale Went Through, These Businessmen Bribed The Legislators Of Georgia To Pass A Bill Authorizing This Sale. These Bribes Included Land (75,000 Acres) Land, Slaves, Barrels, Rice And Money. Needless To Say, This Bill Was Passed Very Easily.

When The Citizens Of Georgia Found Out About This Bribe, They Were Outraged, And Each Legislator That Accepted The Bribe Were Replaced. This New Legislative Body Repealed And Burned The Bill. The Land Owners Resisted The Bill Repealing The Sale, And Went To The U.S. Government For Help. The U.S. Government Agreed To Buy The Yazoo Land For $1,250,000 Again, With No Concern Whatsoever For Yamassee, Creeks Native American Owners Of That Land.

_I Declare That_ Nayya: Malachi Zodok York-El, Is A Yamassee Native American, By Tribe And A Moor By Race And Nationality. His Mother Mary C. York Was The Daughter Of Leila Williams And Bobby Williams. Leila Williams' Maiden Name Is Leila Miller. The Millers And Washingtons', Who Are Washita Native Americans, Moved From Louisiana As Creoles, And Lived Amongst The Geechees In Charleston, South Carolina. Leila Was Also The Daughter Of Dwight, Who Was The Mother Of Mary C. Williams, Who Married David P. York, Who Was Her Second Cousin. (Refer To Chart On Page 37). Annie Was The Mother Of Dwight And The Seminole Wife Of Ben York, And Her Tribal Name Is _Sun Beam_. Now Bobby Williams, Mary C. York's Father, Was An Egyptian Moor Named, Salah Hailak Al Ghalat, A Merchant Seaman From A Little Village Called Beluwla, In Nubia Of Ancient Egypt.
